

ECCENTRICO  
VICTOR VASILEV

una progettazione razionale, che esalta la geometricità del cerchio e declinandola in un elemento totemico e realizza un dialogo semplice e raffinato fra le diverse matericità di marmo di carrara, legno, metallo e cristalplant®. texture e suggestioni tattili diventano rappresentazione di sofisticata originalità, per un lavabo freestanding di grande carattere.

a rational design, which enhances the geometry of the circle by declining it into a totemic element and creates a simple and refined dialogue between the different materials of carrara marble, wood, metal and cristalplant®. textures and tactile suggestions become a representation of sophisticated originality, for a freestanding washbasin with great attitude.
