

Il fascino di un equilibrio perfetto tra ricercatezza e lusso, una sintesi che nega eccessi e ostentazione. Sono questi i cardini della collezione Shape, nella quale convivono, contrapponendosi, la concretezza della materia tipica del legno e la leggerezza del Cristalplant. La forma si allea con la funzione, per ambienti fruibili e sempre emozionanti / The fascination of a perfect balance between the sought-after and the luxurious. A blend that denies excesses and ostentation. These are the key points of the Shape collection blending and comparing the concrete nature of wood and the lightness of Cristalplant. Design mingles with function to provide practical, yet exciting atmospheres.
